MISSION

“Based on the Bible, in partnership with parents, we teach the whole student to know and apply wisdom for the good of our world and the glory of God.”

International Community School (ICS) was founded in 1993 in Bangkok as a non-profit Christian international school and has been the leading American AP K-12 institute for the past many years. Due to our continued success, a new campus was opened in Udon Thani in 2020. ICS is known for the close-knit community fostered between its faculty, students, and parents. This comes from a relentless focus on care and individual attention in order to help each child thrive in and out of the classroom. The emphasis on character formation together with student achievement is why ICS is one of the very few international schools with continual growth over the past 28 years in Bangkok and now in the city of Udon Thani.

Senior Capstone Service Project

In order to graduate from ICS, every student must complete a Senior Capstone Service Project (CSP). Students research, assess, propose, and implement solutions to social and economic issues in the community. Final solutions and results are presented and defended in front of a panel of board members and NGO workers.

AP Curriculum

ICS Bangkok is the top AP school in Thailand in terms of AP courses offered and scores achieved. Over the next several years, we hope to have similar success in the ICS Udon Thani campus.
